GAVILON LAUNCHES NEW PORTAL FOR PRODUCERS TO PERSONALIZE THEIR GRAIN EXPERIENCE

Omaha, Neb. (Sept. 30, 2015) – Gavilon Grain, LLC today announced that it has launched a new web service, myGavilon, that allows customers to personalize their grain experience. Producers are able to access all of their transactions (i.e., balances, contracts and tickets) as well as weather, cash bid and futures market information all in one place.

“Producers have a lot of critical decisions to make and many things to keep organized. We developed myGavilon to allow our customers to have all of their important information in one place,” stated Greg Konsor, Vice President and General Manager for North American Grain at Gavilon. “We intend to work closely with our customers to find more ways to take advantage of the myGavilon suite of solutions to help our producers find more and better ways to succeed in the marketplace.”

Customers of Gavilon can sign up for myGavilon by visiting myGavilon.com or downloading the app on an Apple or Android device.
